GOLF CLUB AT SOUTH HAMPTON

GOLF WITH YOUR FUNCTION?

Since its opening in 1999, the Golf Club at South Hampton is yet another Mark McCumber masterpiece in the Northeast Florida area. With 16 large lakes, over 60 contoured bunkers, towering pine and oak trees, this par 72 will be a challenge for any skill level. McCumber's intent when designing The Golf Club at South Hampton was to present every golfer the appropriate risk, offering encouragement to the novice while still challenging the experienced player. South Hampton offers different skill levels a variety of six large tee boxes giving everyone the opportunity to enjoy their round of golf. The yardage ranges from 7,028 yards for the low handicappers, all the way down to 2,846 from the family tees. Every golfer will need to watch out for the 17th hole which is a monster par five stretching 571 yards.

Be sure to ask our wonderful team for potential golf options with your special event. Willy DiStefano at 904-287-7529, willy@dwagolf.com, will be happy to set up golf to suit your needs.
